

## BAROQUE BASS

### THE BAROQUE BASS

For the discriminating musician. This instrument is designed and crafted for the player who wants an authentic bass and not a bass guitar.

Acoustic Violin body with the belly and back edges softly rounded and overhanging the ribs in traditional manner. Beautiful shaped neck fitted with the Maton Double Thrust Adjustable Truss Rod. Carved head scroll. Twin "ultrasound" bass pickups set in brass cases and rosewood mountings. Volume and Treble controls. Deep, full and sustaining sound which can be changed by selector switch to a bright edge for plectrum use.

Smooth action mute. Individual string adjustment at the bridge, decorated tailpiece of solid brass and Rosewood. Brass enclosed machines. Antique finish.

Colour - Baroque rubbed brown.
