

## MATON EL TORO GUITARS

EL TORO GUITAR

EL TORO BASS

### EL TORO GUITAR

The latest innovation in exotic electric guitars.

A new look. A new sound. A new 2.5 octave, 31 fret playing range not available in other standard guitars. The "in" musicians instrument. Designed with deep cutaways, modern yet rich in old Spanish influence.

Built from the finest Honduras Mahogany and Northern Maple. Slim long neck fitted with the MATON ADJUSTABLE TRUSS ROD. Rosewood fingerboard and nickel silver frets. Neck and body edge bandings. Twin "Ultrasound" adjustable pickups. Adjustments to each string. Separate tone and volume control to each pickup, plus smooth change toggle switch. New alloy Micromatic Bridge. Fittings richly gold plated and enamelled.

Presented in 3 exciting new Maton colour tones.

Senora White  
Mexican Sand  
Toro Red.
