SPECIFICATIONS:	MESSIAH MS III ACOUSTIC GUITAR
SIZE:	Length 525mm Width 400mm Depth 125mm
BODY:	Solid Rosewood or Rock Maple back and sides distinctive mosaic centre strip inlay along back. Delicate multi banding on face with tortoiseshell binding back and front.
TOP:	Book matched fine grained selected Spruce. Internal bars and bracing of Spruce wood.
NECK:	Mahogany incorporating laminated centre strip of Rock Maple fitted with Maton adjustable truss rod.
FINGER BOARD:	Black African Ebony 43mm width at the nut 646mm (25 1/2 ") scale and 21 nickel silver frets. Pearl snow flake inlays.
BRIDGE:	Matching dark Rosewood with bone saddle and pearl inlaid bridge pins and pearl inlaid end pin.
GUARD PLATE:	Maton design tortoiseshell pattern.
MACHINES:	Schaller gold.
STRINGS:	Maton bronze wound medium gauge (012-053).
FINISH:	Full gloss hand polished accentuates the natural woods used in both models.
CASE:	Hard-shelled plush lined arched top Maton case available.

Neck adjustment for Acoustic Flat Tops is made from within the body and cannot be tampered with by amateurs. The MATON "DOUBLE THRUST" Truss Rod fitting has proved far more successful than other methods.
