

MATON SPANISH ELECTRIC GUITARS

STARLINE AE5 1

DC 1500

MATON MICROMATIC BRIDGE, Proved in principle for hollow body electrics and solid body guitars. Gives perfect pitch and tuning irrespective of string gauge.

MATON ADJUSTABLE TRUSS ROD - Guaranteed perfect fast and low action under all conditions

A new version of the famous preceding Starline models. Musicians have always felt the need for good acoustic and sustaining power in a guitar.

- Hand-graduated carved top of fine Spruce.
- Solid back and sides of fine aged Maple.
- Slim neck fitted with the Maton Adjustable Truss Rod* Control.
- Classic style Ebony fingerboard with large pearl position marks.
- Rosewood panel head fitted with generous engraved pearl inlays.
- Enclosed machines and solid brass hardware, all gold-plated and enameled for lasting protection.
- Pickups are a new and exciting development by Maton; full-tone guitar response without interference. Separate adjustment for each string.
- Body size 21" x 16 1/2" x 3 3/8" Scale 25 1/2".

COLOURS AVAILABLE: Sunburst, Cherry, Honey Blonde. Complete in heavy-duty Plush-lined carrying case. Custom built to order only.
Available as:

- SAE51** Acoustic model only
- SAE52** Acoustic Electric 1 Pickup. Volume, Treble, Bass controls.
- SAE53** - Acoustic Electric 2 Pickups. Volume, Treble, Bass controls. Fingertip pickup switch for separate or dual operation.

A professional style hollow electric guitar. Slim body with smart cutaways allow complete access to the fret range. An outstanding performer for group recording or television work.

- Top of fine arched Spruce, shaped back and sides of beautifully figured timbers with acoustic quality and sustaining power so desired by the professional musician.
- Slim neck, low action fingerboard fitted with the Maton Adjustable Truss Rod* for lifetime reliability. Smart style machine head and "f" holes blend with the elegant body outlines.
- All edges ivoroid bound, pearl fret position markings.
- New design twin extended range pickups with distortion-free double power.
- Volume, Bass Expander and Treble Extender controls. Easy action selector switch for individual or dual pickup operation. Single unit machines and all hardware beautifully plated.
- Body size - 20" x 16 1/2" x 2"; Scale - 24 3/4".

COLOURS AVAILABLE: Sunburst, Shaded Jungle Green, Cherry.
Additional colours 5% extra.
Tremolo arms optional and extra.
